WELCOME to the Greenbay Vets Complete Care Club.

At Greenbay Vets we believe in helping you to prevent illness in your pet – regular health checks, excellent parasite prevention and vaccinations are key to this. By joining our club you can spread the cost of looking after your pet and receive discounts on specified products and services.

Every pet is unique so we believe in getting to know you and your pets as individuals. You can join our club as a Bronze, Silver or Gold member depending on your pet's requirements, and a choice of home delivered parasite products is available within the scheme to suit your pet's lifestyle and personality.

The club is not a substitute for pet insurance – for more information about pet insurance visit our website or speak to a member of our team who will be more than happy to advise you.

Read on for more information, or speak to one of our team today to find out more.
